Do you ride The Current buses?

Would you use a bus if you could?

In early 2016, Southeast Vermont Transit will be evaluating some of "The Current" bus routes mainly in the Springfield, Bellows Falls and Ludlow areas.

A survey will be available online at www.swcrpc.org 1/4/2016 thru 1/24/2016

Please help us evaluate our local routes! Thank you!

For more information about the project, see www.swcrpc.org
For more information on existing bus routes, see www.crtransit.org
